

LES ARCS FILM FESTIVAL

LES ARCS INDUSTRY VILLAGE - DECEMBER 15-18th,
2018

INFORMATION AND REGULATION

500 Industry professionals (producers, distributors, sales agents...) from entire Europe gather for 3 days of business and networking in one of the world's most beautiful ski resorts in the French Alps!

The Industry Village consists of:

- **COPRODUCTION VILLAGE**

A European coproduction market of **20 feature projects** in development.

- **TALENT VILLAGE**

Within the frame of the Coproduction Village we welcome **7 to 10 first feature films** projects in development from European Film Schools recent graduates or directors with outstanding short films.

- **WORK IN PROGRESS**

A screening session presenting extracts from **14 films** in post-production carefully selected throughout Europe and looking for financiers, sales agents, distributors or complementary funds.

- **EURIMAGES LAB PROJECT AWARD**

This year again, 50 K€ in cash will be awarded to an innovative work in progress project, in terms of content and production.

- **POLISH FOCUS**

Our guest country being Poland, a special focus on Polish Cinema and Polish fundings / production will be held through conferences and case studies.

- **AND ALSO NETWORKING AND FUN!**

Industry parties, cocktails and the famous *Wine, Oyster and Cheese*, feet in the snow, with a magnificent view on the valley !

GENERAL RULES FOR APPLICATIONS

COPRODUCTION VILLAGE

Main criteria for applying :

- the main producer must be European
- fiction, animation or documentary, minimum length: 75min
- the director has already directed films (feature or short) or have a substantial track record.
- producer(s) must be looking for additional sources of financing and/or coproducer(s) and for a sales agent
- having financings already in place will be considered as a plus

The online application must be done in English, but attachments can be sent in English **or** French.

Mandatory attachments are :

- Long Synopsis (2 to 5 pages)
- Treatment **or** Script
- Financing plan
- Estimated Budget

Among approximately 300 projects received we select 20 European feature films in development.

One-to-one meetings and Industry events will be organized to create matchmaking opportunities. And Les Arcs team will be there to help.

There are no public pitching sessions. Online catalog of the projects will be available for participants in advance of the event

WORK IN PROGRESS SESSION

Main criteria for applying:

- the main producer must be European
- the project is a feature film (fiction, animation or documentary) in post-production (minimum length: 75min)
- the project should have **NO SALES AGENT ATTACHED** and it must be the first presentation of the project in a WIP session

The excerpts of the films (2/3 scenes – maximum 8 minutes) will be introduced to the professionals (sales agents, producers, festivals...) by their Producer and by Frédéric Boyer, Artistic Director of the Festival. We won't screen teasers. One-to-one meetings are organized after the screening.

The online application must be done in English, but attachments can be sent in English **or** French.

Mandatory attachments are :

- Long Synopsis (2 to 5 pages)
- Treatment **or** Script
- Financing plan
- Estimated Budget
- A link to watch a rough cut or a few scenes of the film (10 minutes material minimum)

EURIMAGES LAB PROJECT AWARD

Some of the 14 work in progress will be eligible to the **Eurimages' Lab Project Award of 50.000 euros** in cash.

This award is dedicated to innovative projects in terms of content and

productions. Eligibility criteria:

- projects **must have** some form of **international cooperation** / coproduction between **at least two countries**
- projects **can't have** received Eurimages Coproduction Support
- the majority producer's country **must be** a member of Eurimages
- projects that are essentially cinematographic but possibly (though not necessarily) at the crossroads of different art forms;
- projects by filmmakers as well as visual artists;

While applying, you will have to explain how your project fits these criteria.

DEADLINE FOR APPLICATIONS

COPRODUCTION VILLAGE - September 13th 2018

WORK IN PROGRESS - October 16th 2018

CREDITS

In case of selection to one of the sections of the Industry Village, the representative of the project commits to include the logo Industry Village on the ending credits and the film poster. Logo that we will provide on request.
