[MIDPOINT EDITING ROOM](#)

MIDPOINT Editing Room is a post-production program tailored to the needs of your project. Through dramaturgy consultations and editing supervision, this program will address the challenges and concerns in your rough cut and help you make the film you want to make.

MIDPOINT Editing Room Feedback

Our pool of tutors will examine the rough cut of your fiction feature film and then analyze it together with you within an intensive 3-hour long online consultation. This online session will cover your questions and concerns and offer an effective plan for your next steps.

Fee (for a 3-hour long online consultation): 500 EUR

Special price for MIDPOINT alumni: 300 EUR

Date of consultation: according to individual agreement

MIDPOINT Editing Room Workshop

Selected projects which take part in the Feedback consultations will be given the opportunity to participate in Editing Room Workshop. It consists of a 5 -10 days of consultation sessions either online or on-site in Prague, Czech Republic at the facilities of our partner Studio FAMU.

The Editing Room Workshop is organized with special care for those in need. The structure of the program can be specifically tailor-made to the needs of editors on parental leave, for example.

Fee (for 5 days session): 2000 EUR

Special price for MIDPOINT alumni: 1500 EUR

Date of consultation: according to individual agreement

Focus Female Editors

Women editors applying in a team will get 50% off the regular fee for the Editing Room program.

Focus Ukraine

Special offer: tailor-made dramaturgy in the editing room for Ukrainian projects in the post-production stage.
